ARTIST PROFILE

Jassen Bodon is a tattoo artist, illustrator, comic creator, and digital artist whose work explores transformation, identity, sexuality, fantasy, and science fiction. Working across traditional and digital media, he creates character-driven narratives, original comic books, and visual art inspired by queer culture, imagination, and personal storytelling. His practice combines illustration, writing, and sequential art to build immersive worlds and expressive characters.

EDUCATION

High School Diploma

PUBLICATIONS

Super Andy and Jay

Adult comic book creator and author

Published through Amazon

CURRENT PROJECTS

Gene Breakers

An original science fiction graphic narrative exploring transformation, identity, technology, and survival.

Super Andy and Jay
