PROFESSIONAL EXPERIENCE

New Frontiers in Learning, New York, NY

06/2019 – 09/2024

Academic & Executive Functioning Coach

- Provide individualized support to around 20 - 25 students per semester currently pursuing high school, college, graduate, or doctoral degrees including Stanford, Cambridge, UPenn, Cornell, UMichigan, Dartmouth, etc.
- As an academic coach, I provide a two-pronged approach for fostering skills necessary for excelling in school and beyond.
 - Content support through the use of reviewing existing material (homework, course notes, or past exams), providing feedback on work, or developing new support material unique for each course and for each student's need.
 - Organizational support and executive skills development by developing study strategies and organization skills, creating a structure of accountability, and ensuring competition of work prior to deadlines.
- As an executive functioning coach, I work with neurodivergent individuals to develop routines, organizational skills, time management, and task initiation unique to their goals.

Columbia Center on Sustainable Investment, New York, NY

01/2020 – 01/2022

Researcher & Graphic Designer

- Used Adobe InDesign and Illustrator to copyedit, design, layout, create graphics, and format accessibility for academic reports for a joint research center between Columbia Law School and the Earth Institute.
- Worked with senior researchers on one to two short reports (under eight pages), one medium report (around 15 pages), and one large report (30 pages plus) per month.
