Artist Statement

Lucas Oakley is a New York City based artist who's work focuses on pop culture, consumerism, advertising, technology, spirituality, social media and flaming homosexuality. Oakley uses high-camp and sharp-witted concepts to create a compelling multiverse of madness that disrupts the current art and fashion industries that, all too often, take themselves way too seriously!

Solo Exhibitions

- *The Passion of the Oakley*, ZDS Creative, Brooklyn, NY (2025)
- *Lucas Oakley NYFW Showcase*, On the Fringe Gallery, NY, NY (2025)
