

BOMECE

**2026, Film, Vidéo HD
Opening Nights Production**

**Featuring french gay pornstar François Sagat
and italian diva Asia Argento
scheduled for filming in 2026.**

BOMECE, loosely inspired by Snow White, follows Pascale, a domina in crisis, who arrives at a Bob Mizer-style abandoned villa, inhabited by the Himbros : aging, once-glamorous Chippendales. Over seven days, Pascale must push them through challenges of discipline, stripping, and submission. Through humor and eroticism BOMECE explores the circulation of power and pleasure, portraying a world where domination is playful, masculinity questioned, and ambiguity celebrated.
