BOOKS (NONFICTION)

BOYSLUT: A MEMOIR AND MANIFESTO - 2023

Boyslut is a series of personal essays that articulate how our society still shames people for the sex that they have and the sexualities that they inhabit. Through the lens of my bisexuality and much self-described sluttiness, I break down exactly how sexual shame negatively impacts our lives, and through personal experience, share how we can unlearn the harmful, entrenched messages that society imparts to us.

Boyslut was a finalist for both a Lambda Literary Award and Publishing Triangle Award in 2023.
